OUTSTANDING 2008

Thank you for your enquiry,
I have pleasure in forwarding details of our day nursery.

Cotton Tails Nurseries Limited is a family run nursery with a young family of their own, therefore by visiting one of our nurseries, you will see we offer a warm and loving environment for the children, which in turn will give you peace of mind whilst in our care.

Our brochure can only go so far in detailing the service we offer, and we would therefore welcome the opportunity to show you around our nurseries. You are more than welcome to view any of the nurseries at anytime whilst open. However it would be more beneficial for you to make an appointment, ensuring there is someone available to discuss your requirements.

If you have already viewed the nursery and have decided you would like to secure a place for your child you are required to fill out an application form and pay a £50 deposit. Our terms and conditions are detailed within this pack. Once we have received your deposit we will contact you to arrange free hourly inductions, these sessions allow you and your child to become familiar with our environment, get to know the staff and of course ask questions.

At Cotton Tails we pride ourselves on the high standards of care. We constantly review our policies and procedures encouraging feedback from all our staff, parents and especially taking into consideration our children's special interests.

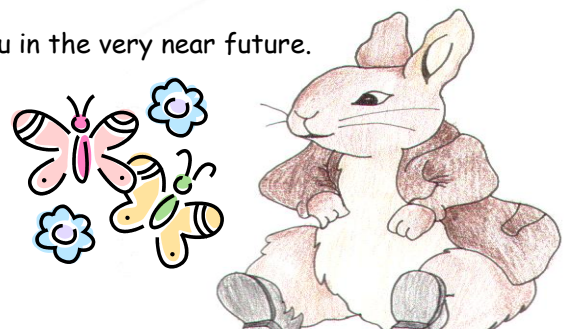

To help us maintain and improve our standards would you please spend a few minutes of your time to complete the questionnaire enclosed and return it to us as soon as possible.

We appreciate any feedback given.

Thank you for your enquiry. We look forward to hearing from you in the very near future.

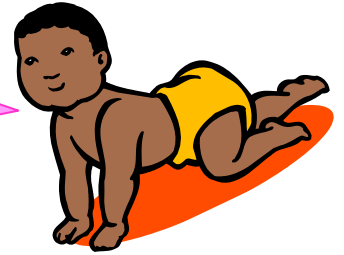

Kind Regards

Michelle Tompkins

For those times when the children need a rest, we will provide a soft mattress with individual bedding to snuggle down on, these are laundered on site. The nursery, ever mindful of the necessary vitamins and calcium needed, ensures that each child enjoys fresh milk which is provided as part of their daily diet. Those of our children who have not yet progressed to cow's milk will enjoy the formula that their parents must bring into nursery. Occasionally we can get a little messy at nursery so we ask you to provide your child with a spare set of suitable clothing (a few sets if your child is toilet training!).
