Lockdown 2020

Missing you all

We are missing you all so much and hope you are all keeping well.

Nursery is incredibly quiet without you all here, there are only a few of us each day but we have been making the best of it and keeping busy.

We hope it won't be too long before you can all return to nursery and we can all be together again.

School room children

We hope you all had good news a few weeks ago when finding out what school your child will be going to we would love to hear what school they will be attending so please let us know either by email or on tapestry.

At this time of year, we would normally be very busy preparing all the school room children for going to big school, as we know what the school's expectations are. We like to practice things at nursery, but unfortunately with things the way they are at the moment we cant do that so we decided to create a short video of a few things that you could encourage your child to do at home to prepare them for school. You can find the video on our Facebook page.
